***Call To Local Artists and Teachers of the Arts
to Join the
Kentlands Community Foundation Art Registry***

Our community is full of incredibly talented individuals and the Kentlands Community Foundation would like to be able to provide a resource to the community for how to locate these special neighbors. As a result, we are starting a ***registry of artists and teachers of the arts*** in our community. If you are an artist and/or teacher of the arts, be it visual or performing, complete the following form and mail it or bring it by the Foundation or Clubhouse office, or complete it online. We will add your information to our database and make it easier for the community to better utilize your talents.
